Dear Erasmus students, it is a real pleasure to welcome you to the Faculty of Civil Engineering, Transportation Engineering and Architecture, one of the oldest members of University of Maribor, which constantly strives to develop and activate student's motivation, potential, and creativity.

To make your start of faculty life easier, we prepared this brochure with useful information, contacts, and a map.

We hope that at the end of your studies here you will reach your goals and return home not only with new knowledge but also with good memories of our faculty.

We wish you great success and a very pleasant stay in Maribor.

Where are we?

SMETANOVA STREET 17

The main building is located on Smetanova Street 17 where you can also find Registrar's Office, and Erasmus+ office. The study activities take place in two buildings in separate areas, the other building is on Krekova Street 2.

Building on Smetanova Street 17 includes three main sections, which are called "Section J1", "Section B" and "Section A". or orientation: the main entrance is located between "Section B" and "A".

You can find identification marks on every door of lecture rooms for better orientation.

Example: B – 301

B – building B

3 – third floor

01- room 1, on that floor

KREKOVA STREET 2

The second building is located at Krekova Street 2, which holds a program of Architecture and Transportation Engineering.

On each floor at Krekova Street, you can find a map of the building and lecture rooms to help you navigate. Lecture rooms are marked with capital letters A, B, C, D...

Do you know what FGPA stands for?

It is a monogram in Slovenian language for the Faculty of Civil Engineering, Transportation Engineering, and Architecture.
