4 Days Design Studio

Build your Skills

3.5 weeks of intensive design studio. Develop a future-relevant architectural proposal. Gain new skills, fresh knowledge, and valuable connections.

Expand Your Network

For Bachelor's and Master's architecture students and young graduates. Meet like-minded people from around the world. Learn directly from experienced tutors, gmp partners, and renowned guest architects.

Design as a Team

Collaborate closely in an international and inspiring design environment.

In Hamburg

At aac Academy for Architectural Culture in Hamburg. Founded by gmp architects. Design Studio overlooking the Port of Hamburg.

Everything Covered

A scholarship is available for all candidates. It covers the tuition fees, including all working materials. Free accommodation in Hamburg during the workshop is also provided.

Twice a year

Held during the academic breaks in spring and autumn every year.

Campus
